REGARDING THIS AUCTION:
The number of cancellation varieties, and the number of duplicates of many of them, cause the Buckland Flag Cancel Collection to be of a very large size. Central to the effort of lotting has been to present every item within the first-line collection, regardless of its scarcity rating or condition, and to Present the material in relatively small lot quantities. Items rated at 40 or more Points are usually listed as individual lots, but occasionally varieties from the collection is generally a quality collection, and most of it is on covers, impression, etc., do exist, and some varieties are on postcards. line collection, and all the 40 or more point items, are presented secondary collections. Cancels from the secondary collections and desirability. Beyond these standards, the items then went to the If you are hesitant to bid without further details, call with your questions or request photocopies.

The condition of the cancellation is indicated first, then the condition of the cover or card.

For example, F/VG means a fine cancel on a very good cover or card.

Condition of the cancel (consists of the postmark and the stamp invalidator)

VF = Very Fine; all letters and cancel virtually perfect.

F = Fine; letters and cancel well imprinted, considerably better than average.

VG = Very Good; letters and cancel well imprinted but perhaps some lightness or other defect.

G = Good; some defect, such as some letters or portion of cancel light or not imprinted, or right ends of lines or bars run off the edge of the card or cover.

P = Poor; merely an identifiable and countable example.

Condition of the cover or card

VF = Very Fine; attractive, no faults.

VG = Very Good; minor fault such as toning; not described.

G = Good; some fault, such as opening reductions; described.

P = Poor; doggy; faults; described.

Bidding Increments Are:
